**Weekly Prayer Focus – April 26, 2020**

**Established in 1995**

Students at Triad are blessed with an outstanding Christian education from preschool through high school that strengthens their moral character while achieving success in academics, arts, and athletics. Thanks to our small class sizes and 4-day school week, our dedicated teachers are able to provide the highest quality of instruction that allows all students to reach their full learning potential. A love of God and life-long learning is shared by all who teach and learn at Triad School.

### **What Parents Love about Triad**

**Lauren, Parent**

Triad is a family. When I drop my kids off at preschool they are greeted by staff, teachers and older students who genuinely love and care about them. When I leave my kids at Triad I am leaving them with family.

**Heather, Parent**

The four-day school week has provided more opportunities for my kids to be kids-at-play, which is as vital to their development as academics. My children's education exceeded my expectations as the teachers were able to cover so much rich content in just four days. I love that teachers can give more one-on-one time to each student since their class sizes are smaller and truly cater to different learning styles.

**Mary, Parent**

The four-day school week has given us more family time, more travel opportunities and more time with my kids, while still providing my kids with an outstanding education!
