"Dear Faithful Supporters,

I wish every supporter had the privilege of seeing the many lives touched through their giving.

We have more than 20 volunteers actively involved every week striving to improve the lives of our clients and giving their unborn babies a chance at life. They listen and ask questions. Encourage and teach. They connect clients with resources to set them up for success. They follow-up. Sometimes our volunteers wake up in the middle of the night and pray for the people they've met here.

We meet many broken people. It's unlikely you would be impressed by some of the choices they have made. But for many, their interaction with Pregnancy Hope Center is a turning point.

We often see how grateful clients are for how they are treated, what they have learned, and what they were given. I wish you could see the looks in their eyes when they introduce us to their newborn baby. I also wish you could hear the pride in their voices as they explain the meaning of their baby's name, how much weight baby is gaining, and how baby seems to know mama's voice already.

I am thankful for the support you give and for the volunteers who selflessly serve.

Serving Him with you,
Teri Cline, Executive Director"
