The Gideons International

#### **TOGETHER IS BETTER** by *Stephanie Becknal*

The Great Commission instructs believers to advance the Kingdom of God. The **Gideons International** provides a unique way for Christian business and professional men to see people come to Christ. Officially, the role of an **Auxiliary** (wife of a Gideon) is to assist her Gideon husband in this mission through prayer, personal testimony, personal work, association for service, and placing and distributing God's Holy Word in approved areas. Yet, the role of the Auxiliary is even more significant considering the partnership of holy matrimony. The wife of a Gideon brings encouragement, support, and gentleness. As an Auxiliary, I share in this blessing serving alongside my husband, Mark.

A verse that became near and dear to my heart in this 28-year journey as an Auxiliary is Acts 6:4 (ESV), which reads, "But we will devote ourselves to prayer and to the ministry of the word." I take great delight in praying for Mark and supporting him in his ministry endeavors. Something else I have learned along this journey is that there is immeasurable impact and spiritual blessings when a wife joins in ministry alongside her husband.

#### **THE BLESSINGS OF SHARED MINISTRY**

You see, the Auxiliary plays an invaluable role for the Kingdom. From the very beginning, The Gideons was built on the idea of strengthening the traveling businessman's testimony. No earthly person knows their husband like his wife, and a wife's love accomplishes more in a man's heart than can be easily explained. As Auxiliary, we direct people towards Christ through living out our faith, praying, and encouraging others. What an Auxiliary does for and with her husband strengthens him and his ministry efforts. I take great pride in joining my husband in ministry, supporting and encouraging him—that is the unique benefit of being a part of The Gideons International. Together, we seek to win the lost to Jesus Christ.
